

SCHOOL VISITS

RISK ASSESSMENTS AND PRELIMINARY VISIT

It is the responsibility of schools to conduct satisfactory risk assessments prior to their visit. A preliminary visit for up to two members of the teaching staff can be organised to inspect our facilities, and to discuss any specific needs with our education team. If these visits coincide with our scheduled service then provision can be made for a short ride on the train. Arrangements for such visits should be made via the Education Leader. Marilyn.j@nvr.org.uk
